August 21 - 25	8	PK's Got Talent	8	PK's Got Talent	8	

Themes of the Week Descriptions

Outwit, Outlast, Outplay - We're starting the summer off with a week full of ultimate challenges - from sports challenges to riddle solving. During the week we will create banners, group cheers and team flags, presenting them at the end of the week.

Superheroes & Superpowers - Capes, masks and arm bands! This week is going to be full of everything superheroes and superpowers! On Friday all campers will get to participate in a series of superhero events at our end of the week major special, be sure to come dressed as your favourite superhero.

Spy Time - Put those detective hats on! Someone around camp has taken it upon themselves to take off with all of our candy. With the help of our camper detectives and spies we will work together in catching the evil person who's done this!

Around the World - This week we are going to take a tour around the world! There's going to be many stops along the way, testing out some great treats and seeing some great sites. So pack your bags, get your passport ready because we're going traveling!

Deep into the Jungle - Did you hear that? Grab your binoculars and join us on a wild animal scavenger hunt this week. We'll need all the help we can get in finding the animals that are hidden throughout the park and getting the candy bags returned to us safely. Don't forget to wear your camouflage on Friday!

Ship to Shore - It's a Captain Hook and Jack Sparrow type of week. Searching for our treasure lost deep in the sea you're going to need to follow the map ... 'X' marks the spot, locate and bring your treasure back home safely. Be careful though....you never know who you could run into while you're out in the sea!

PK's Got Talent - How has another summer already come to an end? We're ending the summer on a high note - with our end-of-the-year talent show! Please note; parents and guardians will receive information the week of camp informing you if we are allowed to have guests attend the talent show.
